DESCRIPTION

2026 Chevrolet Silverado EV max range work truck

The 2026 Chevrolet Silverado EV is a full-size electric truck built to handle real work and daily driving with quiet power and modern capability. Finished in White with a Black interior, this four-wheel drive pickup at Steele Chevrolet Buick GMC in Dartmouth delivers a clean look, instant electric response, and the confidence truck buyers expect. This 2026 Chevrolet Silverado EV pairs automatic operation with electric performance for smooth acceleration and easy control in traffic, on the highway, and in changing Atlantic Canadian weather. Its wide stance, practical cabin, and truck-focused design make it a smart choice for drivers who want utility, advanced engineering, and zero tailpipe emissions in one package. TRUCK FEATURES »» Four-wheel drive for added traction »» Pickup design built for daily utility »» Electric truck capability meets real needs »» Strong stance with prac...
