DESCRIPTION

2026 Chevrolet Silverado EV max range trail boss

Built for the future of hard work, the 2026 Chevrolet Silverado EV brings full-size truck capability with all-electric power and a bold black-on-black look. Offered by Steele Chevrolet Buick GMC in Dartmouth, this four-wheel drive pickup pairs smooth automatic operation with the quiet strength drivers want for daily use, jobsite duty, and weekend travel. With its modern electric platform, the 2026 Chevrolet Silverado EV delivers instant response, confident traction, and the practical versatility expected from a full-size truck. The black exterior gives it a clean, commanding presence, while the black interior keeps the cabin looking sharp and functional. It is a smart choice for drivers who want advanced truck engineering in a refined package. TRUCK FEATURES »» Full-size pickup with electric truck capability »» Four-wheel drive for added traction »» Automatic transmission for smooth op...
